

TOY

Unique ID: LON-4F2C73

Object type certainty: Certain

Workflow status: Awaiting validation

A Post Medieval lead alloy toy furniture, a chest lid (16th – 17th century). This is an Egan and Forsyth (2005:223) Type 3 Design 3 chest lid: lunette-shaped panel. It is slightly asymmetrical with a slightly flattened apex and sides. The front surface has moulded decoration comprising large relief letters C and T against a cross-hatched background and randomly placed pellets. An identical chest panel is illustrated in Egan and Forsyth (2005:223) dated 16th – 17th century. The two panels are identical suggesting the same mould was used. Dimensions: length: 29.38mm; width: 19.43mm; thickness: 1.73mm; weight: 1.92g. Reference: Forsyth, H. and Egan, G. 2005. Toys, Trifles and Trinkets. Base Metal Miniatures from London 1200 to 1800. Unicorn Press, London.

Class: Chest lid
