

FINGER RING

Unique ID: ESS-092954

Object type certainty: Certain

Workflow status: Published

Damaged base silver finger ring with a rectangular cut red glass setting. The hoop is now distorted. It has cast decoration of four rope-work lines terminating in three spirals with central knops at the shoulders. There are two lozenges on the lower half of the loop. The bezel is rectangular, with the metal crudely folded over the glass setting.
