

HOOKED TAG

Unique ID: LANCUM-D86A02

Object type certainty: Certain

Workflow status: Published

Silver-gilt dress hook (incomplete). The back plate is made of sheet silver cut into cinquefoil shape and pinked. The cushion is made of five domed lobes and there is a central circular perforation. Each dome is decorated with a plain border at the base and one central knob at the top, around which are placed three filigree wire circles. Three of the knobs are missing. On the reverse it is possible to see three solder areas where the transverse attachment bar and recurving hook would have been placed, now missing. Through the central perforation would have been attached a central decoration, now missing.

Notes:

A similar example can be found from Brookland, Kent (2005 T428; PAS ID, KENT-5051E4).

Consequently, in terms of age and as the object contains a minimum of 10% precious metal it qualifies as Treasure under the stipulations of the Treasure Act 1996.
