An early post-medieval Venetian silver soldino of Doge Leonardo Loredan (1501-1521).

The silver soldino of Venice was known as the galyhalpens (galley-halfpence) as it was brought by the annual Venetian trading fleets. The soldino was about the size of English halfpennies and was popular because of a contemporary lack of small change; soldini in fact occur as English finds more often than proper halfpennies of the period.
