A post medieval lead token dating to c AD 1500-1700. The token is incomplete and is missing about a third of one side. The fragment comprises a semi-circular edge and a jagged line between. The token is slightly concave. On the concave side, the token is decorated with a geometric pattern of a double tressure of two loops joined by a point between (similar to Rose and Orb jetton). The other side has two concentric raised rings.
